Relentless war on Tax-Evasion and Block money

1362. SHRI RAOOF VALIULLAH: Will the Minister of FINANCE be pleased to state:

(a) whether it is a fact that the Incoem-Tax Department has been asked to declare a "relentless war" on tax evasion and black money;

(b) what is the expected realisation of increased revenue by stepping

up the pace of search seizure and prosecutions during 1986-87;

(c) how will the shortfall of Rs. 400 crores from the oil sector be made up through the total collection target;

(d)) how many cases relating to tax evasion are pending for more than one year and what steps are being taken to complete the process; and

(e) whether measures are being initiated to professionalise the Department; if so, what are the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI JANARDHAN POOJARI): (a) Yes, Sir. Government is fully committed to combat the menace of black money.

(b) It is not possible to correlate, in quantitative terms, the realisation of increased revenue and stepping up the pace of search, seizure and prosecution. However the total Budget estimates for 1986-87 has been fixed at Rs. 5,711 crores as against Rs. 5,379.23 crores collected during 1985-86.

(c) The Budget Estimate of Rs. 5,711 crores for 1986-87 includes expected realisation of Rs. 800 crores from O.N.G.C. and Oil India Ltd: However, as per latest information received only Rs. 400 crores is likely to be collected from these two oil companies. The shortfall is likely to be made up by way of collection of Income-tax and Corporation Tax from other sectors.

(d) It is difficult to ascertain the exact number of assessments pending for more than one year pertaining to search and seizure operations. The number of search and seizure cases in which assessments are pending as on 1-6-1986 is 8,161. Since a single search operation usually involves more than one assessee and more than one assessment year, detailed guidelines have been issued for speedy disposal of such assessment.

(e) The Income-tax Department has planned setting up of in-house computers at four metropolitan cities and subsequently at other selected Charges of Commissioners of Income-tax. The computers are to be utilised for allotment of permanent account numbers. processing challans, disposal of summary assessments and deduction of tax at source from salaries. Some area of work has already been computerised at Madras.
